## Eat'n High on the Hog!

I get a lot of questions about our pork. "Why isn't it sliced?" "Why not pulled?" The answer is easy - I won't serve such inferior 'Que! I cook only the best USDA-inspected Boston Butt cut of shoulder. High up on the hog! This is one of the more expensive cuts and tastes much better than the ham that many BBQ restaurants cook. Shoulder becomes far too tender to slice - that's left to tough hams. And yes I do hand-pull my shoulder meat and then to ensure consistent flavor and texture, I shred it. Much more labor-intensive than simply putting chunks of meat on a plate but in my opinion, much, much better.

# STEAKS!

— WHAT MORE CAN WE SAY?

Pamper yourself with the finest, most luxurious steak in the world! Less than one-half of one percent of the very best Heavy western grain-fed Black Angus beef grades to **USDA PRIME**. This is meat with the best marbling, texture and color. Simply the best steak money can buy! We special-order this superior meat and have it specially shipped in. We carefully age this beef for a month or more until it is cut-with-the-fork tender and Oh-So flavorful.

If you'd like a cut other than those listed below, call ahead. We'll butcher your steak to order.

To complement this wonderful steak, we offer it in two styles:

- **Cajun-style Blackened** - Seasoned with a special mix of Cajun spices and blackened on a **red-hot skillet!** Because the cooking is so fast, the steak is well-done on the outside with a thin pink line in the center. Please note: If you wish, we will prepare Cajun Blackened steaks larger than 12 ounces but we cannot guarantee the quality.
- **Char-broiled** - Seasoned with John G's special steak spice and grilled over a hot bed of coals.

**Please note:** Prime steak is, by definition, marbled and trimmed with fat. The fat is edible and is what gives a prime steak its unique taste and texture. If you expect a lean steak, please, **do not** order this steak.

<b>Cajun-Style 12 oz Blackened Ribeye</b>	<b>\$17.99</b>	precooked weight
<b>16 oz Charcoal broiled</b>	<b>\$20.74</b>	precooked weight

**Note: Steaks are available only during the evening meal.**
